In the Matter of

Amendment of Section 73.202(b)

Table of Allotments,

FM Broadcast Stations.

(Rainelle, West Virginia)

NOTICE OF PROPOSED RULE MAKING

Adopted: July 1, 1993;

Released: July 22, 1993

Comment Date: September 17, 1993

Reply Comment Date: October 4, 1993

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by R-B Company, Inc. ("petitioner"), licensee of Station WRRL-FM, Channel 237A, Rainelle, West Virginia, proposing the substitution of Channel 237B1 for Channel 237A at Rainelle, and the modification of its construction permit to specify operation on the higher powered channel. Petitioner states its intention to apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the substitution of Channel 237B1 for Channel 237A at Rainelle, since it would provide the community with a wide coverage area FM transmission service. An engineering analysis has determined that Channel 237B1 can be allotted to Rainelle in compliance with the Commission's minimum distance separation requirements at petitioner's requested site with a site restriction of 21 kilometers (13 miles) northeast to avoid a short-spacing to Station WXIL, Channel 236B, Parkersburg, West Virginia.¹ We shall also propose to modify petitioner's license for Station WRRL-FM to specify operation on Channel 237B1. In accordance with Section 1.420(g) of the Commission's Rules, we will not accept competing expressions of interest for use of Channel 237B1 at Rainelle or require the petitioner to demonstrate the availability of an additional equivalent class channel for use.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before September 17, 1993, and reply comments on or before October 4, 1993, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Sharon P. McDonald, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
